## **NEWS RELEASE**

### **O.I. Corporation Announces Cash Dividend Policy**

College Station, Texas---January 30, 2007—O.I. Corporation (NASDAQ: OICO) today announced that its Board of Directors declared a quarterly cash dividend of \$0.05 per common share payable on February 23, 2007 to shareholders of record at the close of business on February 9, 2007.

The quarterly dividend was declared in connection with the Board of Directors' past decision to establish an annual cash dividend of \$0.20 per share, payable \$0.05 per quarter. The payment of future cash dividends under the policy are subject to the continuing determination by the board of directors that the policy remains in the best interests of O.I. Corporation's shareholders and complies with law and any agreements the Company may enter into applicable to the declaration and payment of cash dividends.

J. Bruce Lancaster, CFO, said, "The action of the Board of Directors is consistent with our objective to maximize O.I. Corporation shareholder value over the long term. Because we have not yet identified an appropriate acquisition in which to invest our cash, the Board of Directors has initiated this dividend policy in order to return a portion of Company profits to our shareholders. We continue to place a high priority on finding an appropriate acquisition and on research and development efforts for potential new products."

O.I. Corporation, dba OI Analytical, provides innovative products used for chemical analysis. The Company develops, manufactures, sells, and services analytical instrumentation that detects, measures, analyzes, and monitors chemicals in liquids, solids, and gases. The Company provides products used to digest, extract, and separate components of chemical mixtures. The Company provides application-specific solutions for the environmental, defense, pharmaceutical, food, beverage, petrochemical, chemical, semiconductor, power generation, and HVAC industries. Headquartered in College Station, Texas, the Company's products are sold worldwide by direct sales, independent sales representatives, and distributors.
